## ADVANCED SKIN TREATMENTS

<b>MICRODERMABRASION</b>	\$95
--------------------------	------

An advanced resurfacing treatment using manual exfoliation via an abrasive head combined with vacuum suction to lift off and remove the build up of dead, dull skin cells. A smoother, brighter complexion is revealed immediately after. Includes mask & scalp massage.

<b>HYDRODERMABRASION</b>	\$130
--------------------------	-------

Hydrodermabrasion uses the same techniques as microdermabrasion with the added benefit of infusing active serums that cleanse, exfoliate, extract and hydrate. Perfect for skins needing a deep clean as well as an infusion of hydration.

<b>DERMAPLANING FACIAL</b>	\$120
----------------------------	-------

Dermaplaning gently removes the top layer of dead skin cells, ridding the skin of fine vellus hair (peach fuzz) in order to reveal a smoother, brighter complexion. This allows for deeper absorption of skincare products.

<b>LED LIGHT THERAPY FACIAL</b>	\$85
---------------------------------	------

Led Light Therapy is a non-invasive light treatment that promotes skin rejuvenation, collagen production, hydration and accelerated healing. The light emitted from the LED increases blood flow, reduces inflammation as well as helping to treat hormonal acne and other inflammatory conditions. Expect glowing skin instantly after your session.

<b>LYMPHATIC THERAPY</b>	\$150
--------------------------	-------

Lymphatic Therapy is designed to work with your circulatory system – an often overlooked, but vital component of optimal skin health. During the treatment, you will feel pulsating around the chest, neck and face. Throughout the 45 mins, the mask is left on and the skin will become increasingly tighter. The treatment is not painful. The result is a visibly firmer and contoured appearance.

## FACE SCULPTING & BUCCAL MASSAGE

This massage is perfect for people that suffer from muscle spasms, muscle tension or tightness including TMJ or jaw pain, puffiness of the face, poor lymphatic drainage as well as headaches and teeth clenching and grinding, or for those just wanting a completely relaxing experience. Face Sculpting and Buccal massage is like a remedial massage for the face.

**FACE SCULPTING AND BUCCAL MASSAGE** \$190

**FACE SCULPTING AND BUCCAL MASSAGE WITH LED** \$230

## SKIN NEEDLING

Skin Needling is a minimally invasive procedure that encourages your skin to make new, collagen-rich tissue and elastin formation, which then assists with plumping out fine lines & wrinkles. It also reduces the appearance of pigmentation, enlarged pores, acne scarring and stretch marks.

**FACE SKIN NEEDLING** \$220

**FACE, NECK AND DÉCOLLETÉ SKIN NEEDLING** \$260

## PEELS

Peels are one of the most effective means of stimulating new, healthier skin growth. By removing cellular build-up and stimulating skin regeneration, peels offer improvement of wrinkles and fine lines, sun damage, pigmentation, pore size, acne and oil production.

**LEVEL ONE PEEL** \$95

Mild peel with no downtime, perfect entry level/beginner peel.

**LEVEL TWO PEEL** \$120

mild peel with no downtime, possible redness and slight flaking could be expected.

**LEVEL THREE PEEL** \$150

Clients may experience redness and sensitivity for 12–24 hours after peel, mild peeling can be expected for 3–5 days post treatment, coverable with makeup. For clients who have had previous level 1 or 2 peels or have been using vitamin A for at least two weeks prior.

**LEVEL FOUR PEEL** \$200

Exclusive for clients who have had adequate skin preparation with prior peels and Vitamin A usage. This peel is intense, redness and moderate flaking is expected for up to 5 days post peel. You can expect smoother, brighter, more even toned skin after just 1 treatment.
